The location of Debtor WeWork, Inc.'s principal place of business is 12 East 49th Street, 3rd Floor, New York, NY 100017, and the Debtors' service address in these chapter 11 cases is WeWork Inc. c/o Epiq Corporate Restructuring, LLC 10300 SW Allen Blvd., Beaverton, OR 97005.

WeWork Inc. (“WeWork”), one of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) states as follows in support of this application (the “Application”).²

Relief Requested

1. WeWork seeks entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”): (a) authorizing WeWork to retain and employ Munger, Tolles & Olson LLP (“MTO”) as counsel to render independent legal services on behalf of and at the sole direction of the Special Committee of the Board of Directors of WeWork, comprised of Paul Aronzon, Paul Keglevic, Elizabeth LaPuma, and Henry Miller (collectively, the “Special Committee”), effective as of the Petition Date, in accordance with that certain engagement between WeWork and MTO (the “Engagement Letter”), a copy of which is attached as Exhibit 1 to the Order, pursuant to sections 327(a) and 328(a) of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”) and (b) granting related relief.

2. In support of this Application, WeWork submits the declaration of Seth Goldman, a partner of MTO (the “Goldman Declaration”), attached hereto as **Exhibit B**, and the declaration of Independent Director Paul Aronzon (the “Aronzon Declaration”), attached hereto as **Exhibit C**.

Jurisdiction and Venue

3. The United States Bankruptcy Court for the District of New Jersey (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of*

² A detailed description of the Debtors and their businesses, including the facts and circumstances giving rise to the Debtors’ chapter 11 cases, is set forth in the Declaration of David Tolley, Chief Executive Officer of WeWork Inc., in Support of the Chapter 11 Petitions and First Day Motions [Docket No. 21] (the “First Day Declaration”). A detailed description of the Debtors, their businesses, and the facts and circumstances supporting the Debtors’ chapter 11 cases is set forth in greater detail in the First Day Declaration and incorporated by reference herein.

Reference to the Bankruptcy Court Under Title 11, entered July 23, 1984, and amended on September 18, 2012 (Simandle, C.J.). The Debtors confirm their consent to the Court's entering a final order in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 327(a) and 330 of title 11 of the United States Code (the "Bankruptcy Code"), Bankruptcy Rules 2014 and 2016, and Local Rules 2014-1 and 2016-1.

Background

6. The Debtors, together with their non-Debtor affiliates (collectively, "WeWork" or the "Company"), are the global leader in flexible workspace, integrating community, member services, and technology. Founded in 2010 and headquartered in New York City, WeWork's mission is to create a collaborative work environment where people and companies across a variety of industries, from freelancers to Fortune 100 companies, come together to optimize performance. WeWork became a publicly traded company in 2021 and employs over 2,650 full-time and fifty part-time workers in the United States and abroad. The Company operates over 750 locations in thirty-seven countries and is among the top commercial real estate lessors in business hubs including New York City, London, Dublin, Boston, and Miami. For the fiscal year 2022, WeWork's revenue was approximately \$3.25 billion. The Debtors commenced these chapter 11 cases to rationalize their lease portfolio, right-size their balance sheet, and position WeWork for sustainable, long-term growth.

7. On November 6, 2023 (the "Petition Date"), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses

and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On November 8, 2023, the Court entered an order [Docket No. 87] authorizing the procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). On November 16, 2023, the United States Trustee for the District of New Jersey (the “U.S. Trustee”) appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Committee”) [Docket No. 150].

8. On August 8, 2013, Paul Aronzon, Paul Keglevic, Elizabeth LaPuma, and Henry Miller (collectively, the “Independent Directors”) were appointed as independent directors to WeWork’s board of directors (the “Board”).

9. On August 17, 2023, the Board adopted a resolution (the “Resolution”) that created a special committee comprised of the Independent Directors (the “Special Committee”) and delegated to the Special Committee all power over “Conflicts Matters.” The Resolution defines “Conflicts Matters” as any matters in which a conflict of interests exists or is reasonably likely to exist between the Company, on the one hand, and any of its current and former directors, managers, officers, investment committee members, special or other committee members, equity holders (regardless of whether such interests are held directly or indirectly), affiliated investment funds or investment vehicles, managed accounts or funds, predecessors, participants, successors, assigns, subsidiaries, affiliates, partners, limited partners, general partners, principals, members, management companies, fund advisors or managers, employees, agents, trustees, advisory board members, financial advisors, attorneys (including any other attorneys or professionals retained by any current or former director or manager in his or her capacity as director or manager of an entity), accountants, investment bankers, consultants, representatives, and other professionals and advisors of such person or entity, and any such person’s or entity’s respective heirs, executors, estates, and

nominees (collectively, the “Related Parties”), on the other hand, as reasonably determined by the Special Committee.

10. Under the Resolutions, the Board specifically delegated to the Special Committee the authority to: (i) investigate and determine, in the Special Committee’s business judgment, whether any matter constitutes a Conflicts Matter; (ii) on behalf of the Board and as it deems appropriate or desirable in its discretion, take any and all actions with respect to the Conflicts Matters, as determined in the sole judgment of the Special Committee, including, but not limited to, approving any Conflicts Matters.

11. In addition, the Resolution delegated to the Special Committee the authority to review, discuss, consider, and negotiate the Company’s entry into and consummation of a “Transaction,” which is defined by the Resolution as a restructuring, reorganization, and/or other recapitalization transaction involving the Company and/or one or more of its subsidiaries and/or affiliates. Included in the delegation with respect to a Transaction is the power of the Special Committee to consider whether or not it is fair to and in the best interests of WeWork and its respective stakeholders to proceed with a Transaction and to determine that a Transaction should not proceed if not fair or in such best interests.

Scope of Services

12. Prior to the Petition Date, MTO provided various legal services to WeWork, under the direction of the Special Committee, including: (a) advising the Special Committee with respect to the identification of actual or potential Conflicts Matters; (b) investigating potential claims or causes of the actions of the Debtors, if any, against any Related Parties; and (c) advising the Special Committee with respect to a potential Transaction.

13. By this Application, the Debtors request authority to engage MTO to continue advising WeWork, at the sole direction of the Special Committee, with respect to Conflict Matters and a Transaction as delegated to the Special Committee.

14. WeWork believes that the retention of independent counsel on behalf of and at the sole direction of the Special Committee, is necessary to assist WeWork to fulfill its fiduciary duties in these chapter 11 cases, particularly given the important role of the Special Committee in these chapter 11 cases, and that the employment of MTO would be in the best interest of the Debtors' estates.

MTO's Qualifications

15. WeWork seeks to retain MTO because of its experience in, among other areas, financial restructuring, litigation, corporate governance, corporate finance and transactions, and tax law. MTO lawyers have significant experience representing and advising the spectrum of constituents in chapter 11 proceedings—debtors, committees, secured and unsecured creditors, independent or disinterested directors, special committees, shareholders, and others, including providing advice with respect to fiduciary duties in connection with chapter 11 proceedings.

16. Since its engagement, MTO has become familiar with WeWork and various aspects of their financial affairs and reorganization. The Debtors believe that MTO is well-qualified to represent WeWork, as directed by the Special Committee, in an efficient and timely manner.

Professional Compensation

17. Subject to the Court's approval and in accordance with sections 330 and 331 of the Bankruptcy Code, the applicable Bankruptcy Rules, the Local Rules, and other procedures that may be fixed by the Court, WeWork requests that MTO be compensated on an hourly basis and that MTO receive reimbursement of actual and necessary expenses incurred in connection with its representation of WeWork on behalf of and at the sole direction of the Special

Committee in these chapter 11 cases. The hourly rates and corresponding rate structure MTO will apply are the same as the hourly rates and corresponding rate structure that MTO uses in other restructuring matters and are comparable to the hourly rates and corresponding rate structure that MTO uses for corporate, securities, and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. The hourly rates used by MTO in representing WeWork are consistent with the rates that MTO charges other clients (including other clients in chapter 11 cases), regardless of the location of the client or the court in which the matter is pending.

18. MTO and WeWork have not agreed to any variations from, or alternatives to, MTO's standard billing arrangements. As discussed in more detail below, MTO rates are subject to periodic change in the ordinary course of business.

19. The MTO 2023 hourly rates for the engagement range as follows:

Billing Category	U.S. Range
Partners	\$1,275-\$2,245
Of Counsel	\$1,275-\$1,325
Associates	\$765-\$1,220
Paraprofessionals	\$375-\$570

20. Effective on January 1, 2024, MTO's hourly rates for the engagement will be as follows:

Billing Category	U.S. Range
Partners	\$1,410-\$2,385
Of Counsel	\$1,410-\$1,460
Associates	\$840-\$1,325
Paraprofessionals	\$465-\$605

21. The MTO hourly rates are set at a level designed to compensate MTO fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject

to periodic adjustments to reflect economic and other conditions.³ MTO used the 2023 hourly rates listed above in its representation before the Petition Date.

22. MTO will maintain detailed, contemporaneous time records in six-minute intervals and apply to the Court for payment of compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules and any additional procedures that may be established by the Court in these chapter 11 cases.⁴ MTO timekeepers will record time using billing categories that substantially conform to those categories set forth at section 8(b) of the United States Trustee Guidelines (the “U.S. Trustee Guidelines”), and will record the amount of time per task within each billing category.⁵

23. Furthermore, MTO will maintain records of expenses incurred and itemize those expenses as well as summarize them by expense categories established as part of MTO’s customary billing procedures. MTO does not charge clients for office supplies, standard duplication, facsimile transmissions, secretarial support, or Westlaw or Lexis computer-assisted legal research. MTO does charge its clients in all areas of practice for all other expenses incurred in connection with a representation. The expenses charged to clients include, among other things, telephone conference call and international call charges, mail, express mail, and overnight delivery

³³ Like many other law firms, MTO typically increases the hourly billing rate of attorneys and paraprofessionals once a year, which increase includes (i) ordinary course step increases related to the advancing seniority or promotion of an attorney or paraprofessional (a “Step Increase”), and (ii) periodic (generally yearly) rate increases with respect to each level of seniority (a “Rate Increase”). The Step Increases do not constitute “rate increases” (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). The proposed order provides that MTO will provide ten business-days’ notice to the Independent Directors, the Debtors, the U.S. Trustee, and any official committee before implementing any Rate Increase, and shall file any notice with the Court.

⁴ In applying to the Court for payment of compensation and reimbursement of expenses, MTO will comply with Local Rule 2016-1 and also make reasonable efforts to comply with the U.S. Trustee Guidelines.

⁵ MTO may, in its discretion and in consultation with the Debtors, determine to create separate or additional billing categories for certain discrete projects undertaken during these chapter 11 cases.

service charges, special or hand delivery charges, document retrieval charges, mass mailings (including envelopes and labels) performed by outside copying services, airfare, meals, lodging, transcription costs, and non-ordinary overhead expenses. MTO will charge the Debtors for these expenses in compliance with all applicable rules, procedures and orders of the Court.

24. MTO will consult with the U.S. Trustee regarding any suggested alterations to the fee and expense categories used by MTO. MTO understands that interim and final fee awards are subject to approval by this Court.

25. If WeWork, through the Special Committee, directs MTO to engage contract attorneys, WeWork will be charged at cost for fees billed by contract attorneys, and MTO will ensure that all contract attorneys are subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code and Bankruptcy Rules. MTO has not and will not share, or agree to share, compensation with any contract attorneys engaged by MTO for these chapter 11 cases.

26. Per the terms of the Engagement Letter, on October 30, 2023, WeWork provided MTO with an advance payment retainer of \$250,000.00. The Goldman Declaration contains information regarding the payments by the Debtors to MTO in the 90 days before the Petition Date. As of the Petition Date, the Debtors did not owe MTO any amounts for legal services rendered before the Petition Date.

27. Pursuant to Bankruptcy Rule 2016(b), no agreement or understanding exists between MTO and any other person, other than as permitted by section 504 of the Bankruptcy Code, to share compensation received for services rendered in connection with these chapter 11 cases, nor shall MTO share or agree to share compensation received for services rendered in connection with

these chapter 11 cases with any other person other than as permitted by section 504 of the Bankruptcy Code.

MTO's Disinterestedness

28. The Goldman Declaration, incorporated herein by reference, discloses MTO connections to the Debtors and parties in interest in these chapter 11 cases that MTO has been able to determine as of the time of filing this Application. In reliance on the Goldman Declaration, and except as set forth therein, the Debtors believe that: (a) MTO has no connection with the Debtors, their affiliates, their creditors, the Office of the U.S. Trustee for the District of New Jersey (the "U.S. Trustee"), any person employed in the office of the U.S. Trustee, or any other party with an actual or potential interest in these chapter 11 cases or their respective attorneys or accountants; (b) MTO is not a creditor, equity security holder, or insider of the Debtors; (c) none of the MTO lawyers are, or were within two years of the Petition Date, a director, officer, or employee of the Debtors; and (d) MTO neither holds nor represents an interest materially adverse to the Debtors or their estates. Accordingly, the Debtors believe that MTO is a "disinterested person," as defined in section 101(14) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code.

29. In the event that this representation would result in MTO becoming adverse to a party in interest that gives rise to a professional conflict, WeWork shall retain separate counsel to represent their interests with respect to such matter against such party.

Basis for Relief

30. The Debtors seek retention of MTO, on behalf of and at the sole direction of the Special Committee, pursuant to section 327(a) of the Bankruptcy Code. Section 327(a) of the Bankruptcy Code provides that a debtor, subject to court approval:

[M]ay employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested

persons, to represent or assist the [debtor] in carrying out the [debtor]'s duties under this title

11 U.S.C. § 327(a).

31. Section 1107(b) of the Bankruptcy Code provides that a person is not disqualified for employment under section 327 of the Bankruptcy Code by a debtor in possession solely because of such person's employment by or representation of the debtor before the commencement of the case. 11 U.S.C. § 1107(b).

32. Bankruptcy Rule 2014(a) requires that an application for retention include:

[S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm's] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014(a).

33. Based on the foregoing, the Debtor WeWork submits that for all the reasons stated above and in the Goldman Declaration and Aronzon Declaration, the retention of MTO as counsel as directed solely by the Special Committee is warranted and satisfies Bankruptcy Rule 2014(a). Further, as stated in the Goldman Declaration, MTO is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the estates of the Debtors, and MTO has no connection to the Debtors, their creditors, or other parties in interest, except as disclosed in the Goldman Declaration.

34. The Debtors submit that the terms and conditions of MTO's employment, as disclosed in this Application, are reasonable.

No Duplication of Services

35. MTO's services are intended to complement, and not duplicate, the services to be rendered by any other professional retained by the Debtors in these chapter 11 cases. MTO has informed the Debtors that it understands that the Debtors have retained, and may retain, additional professionals during the term of the engagement and will use its reasonable efforts to work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors.

No Prior Request

36. No prior request for the relief sought in this Application has been made to this or any other court.

Notice

37. The Debtors will provide notice of this Application to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the Committee; (c) the holders of the thirty largest unsecured claims against the Debtors (on a consolidated basis); (d) Davis Polk & Wardwell LLP and Greenberg Traurig, LLP, as counsel to the Ad Hoc Group; (e) Weil, Gotshal & Manges LLP and Wollmuth Maher & Deutsch LLP, as counsel to SoftBank; (f) Cooley LLP, as counsel to Cupar Grimmond, LLC; (g) the agents under each of the Debtors' prepetition secured credit facilities and counsel thereto; (h) the office of the attorney general for each of the states in which the Debtors operate; (i) the United States Attorney's Office for the District of New Jersey; (j) the Securities and Exchange Commission; (k) the Internal Revenue Service; (l) the monitor in the CCAA proceeding and counsel thereto; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors request that the Court enter an order, in substantially the form submitted herewith, granting the relief requested herein and such other relief as is just and proper under the circumstances.

Dated: November 20, 2023

MTO's fee applications under the Bankruptcy Code are not approved pending further order of the Court.

8. MTO shall not charge a markup to WeWork with respect to fees billed by contract attorneys who are hired by WeWork to provide services to WeWork and shall ensure that any such contract attorneys are subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code and Bankruptcy Rules.

9. MTO shall provide ten (10) business days' notice to the Debtors and the U.S. Trustee before any increases in the rates set forth in the Application (other than the increase effective January 1, 2024) are implemented and shall file such notice with the Court. The U.S. Trustee retains all rights to object to any rate increase on all grounds (other than the increase effective January 1, 2024), including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code (other than the increase effective January 1, 2024).

10. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

11. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Order shall be effective and enforceable immediately upon entry hereof.

12. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

Re: Representation of WeWork Inc. in connection with Conflict Matters, as directed
by the Special Committee

Ladies and Gentlemen:

We appreciate the opportunity to represent WeWork Inc. (“WeWork” or “you” or the “Company”) on the terms set forth in this letter. Let me thank you for your expression of confidence in retaining Munger, Tolles & Olson LLP (“MTO” the “firm,” “we” and “us”). This letter agreement, including the attached Additional Terms of Representation, comprise WeWork’s agreement with us regarding the engagement of our firm.

Scope of Representation

MTO’s engagement is limited to advising WeWork, under the sole direction of the special committee of the board of directors of WeWork, comprising Paul Aronzon, Paul Keglevic, Elizabeth LaPuma, and Henry Miller (as the composition of the same may change from time to time, the “Special Committee”) with respect to any matters that arise in connection with the Company’s restructuring efforts in which a conflict exists between the Company, on the one hand, and its shareholders, affiliates, or directors and officers, on the other hand (the “Conflict Matters”), in each instance subject to our previously conducting and resolving

satisfactorily to us a conflict check and accepting the matter. MTO is not your general counsel, and, as explained in greater detail in Exhibit A to this letter, our engagement does not involve an undertaking to represent you or your interests in any other matter or respect.

As this is expected to be a process that continues beyond the commencement of this initial engagement, not all Conflict Matters have been identified as of the commencement of this engagement. Upon identification of a Conflict Matter to us, we will identify any potential or actual conflicts that MTO may have with respect to such Conflict Matter (the extent of such identification may be affected to the extent that the provision of relevant information to you would in our judgment itself violate our ethical duties to our other clients, in which case we will initially provide only the extent of identification that we believe we are then permitted to provide and supplement the identification if and when we may ethically provide further information); if there is a conflict with respect to a particular Conflict Matter our representation in that Conflict Matter shall be subject to our receipt of any informed consent we determine to be necessary or appropriate.

As of the date hereof, we have confirmed that we have no legal conflict based on actual or potential adversity to SoftBank Group Corp. (“SoftBank”) for investigation and, if requested, litigation. We note that we have previously represented and currently represent Fortress Investment Group LLC and/or related persons or entities not including Softbank (“Fortress”), and that we understand that SoftBank currently owns 90% of Fortress. We also understand from public reports that SoftBank has agreed to sell its interest in Fortress, which sale is currently scheduled to close in the first quarter of 2024, subject to regulatory approval. You agree that nothing in this letter agreement shall require MTO to provide in advice in any matter adverse to Fortress, including any discovery or investigation of, litigation against, or other adversity to, Fortress.

If not terminated earlier or extended in an express written agreement executed by a partner in MTO, our representation of WeWork in this matter will conclude if no work is recorded by us on the matter for six consecutive months.

Direction, Control and Privilege

Consistent with the Resolution and although we shall represent the Company as contemplated by this letter agreement, the Special Committee shall have the sole and exclusive power to direct and supervise our work in this matter. MTO shall report exclusively to the Special Committee, or to such other persons as directed by the Special Committee. In addition, the Special Committee shall control any attorney-client, work product, or other privilege belonging to the Company in connection with MTO’s engagement. Further, as a condition of our engagement, WeWork agrees that it consents to such control by the Special Committee and waives (to the extent permitted by applicable law) any right it or its board of directors may have under the Company’s articles of incorporation and/or bylaws or under applicable law to access,

and shall not seek to access, the work or privileged material of MTO related to the Conflict Matters, except as permitted by the Special Committee.

Billing

Our normal billing practice is to base legal fees upon the amount of time devoted to a matter at hourly rates for the attorneys and other personnel (such as paralegal assistants and case clerks) involved in the project. Any other fee arrangements must be agreed to by you and us in writing. We believe that our hourly rates are comparable to those charged for similar kinds of work by lawyers of similar experience and standing in the community. Our hourly rates are the same for both restructuring and non-restructuring matters.

Our hourly rates for 2023 for the attorneys currently assigned to your matter are: \$2,005 for Thomas B. Walper; \$1,620 for Seth Goldman; \$1,570 for John Berry; and \$1,150 for Brad Schneider. Other attorneys in the firm may also be involved in this representation to the extent we find it appropriate in our reasonable judgment. The rates for partners and of counsel range from \$2,005 to \$1,275 per hour, and the rates for associates range from \$765 to \$1,220 per hour. Paralegal time is billed at rates ranging between \$375 and \$570 per hour.

We expect to adjust these rates annually on the first of the year and will notify you of any increases in the rates of persons working on your matter. We will send summary statements to WeWork (on a monthly or more frequent basis), which by the signature of the representative(s) below, WeWork agrees to pay. These summary statements will show the current status of your account, both for services rendered and for costs incurred on behalf of WeWork. These summary statements will not include time entry information and descriptions to preserve privilege and confidentiality. We will expect payment of the balance due on those statements promptly and in all events within 30 days of issuance. When we send a summary statement to WeWork, we will also send a detailed statement to the Special Committee that will include daily time entries and descriptions.

Our representation will commence only when we receive a retainer (the “Retainer”) from WeWork, which shall be held as an advance payment for MTO’s representation. The initial amount of the Retainer shall be \$250,000. Our fees and expenses relating to this engagement shall be deemed applied against such Retainer as such fees and expenses arise, unless we notify you otherwise. We will require the restoration of this advance payment Retainer by WeWork to the original level on a continuing or “evergreen” basis, or to a higher level, if in our reasonable judgment the circumstances so warrant. Any payments of fees and expenses to MTO for the account of WeWork will be credited to the Retainer. Notwithstanding the foregoing, it is agreed that WeWork will (a) at all times use reasonable efforts to ensure that MTO’s Retainer is funded in excess of the fees and expenses MTO has incurred on behalf of you but not yet applied against the Retainer (whether or not statements for such fees and expenses have been sent by us to you), and (b) upon the commencement of any chapter 11 bankruptcy case for WeWork, ensure that

MUNGER, TOLLES & OLSON LLP

WeWork, Inc.

Page 4

MTO's Retainer is funded in an amount to be mutually agreed. In the event that a chapter 11 bankruptcy case is commenced for WeWork, except as otherwise provided by court order or otherwise agreed to between MTO and WeWork, MTO will apply the Retainer to the fees and expenses owed in connection with the final application for payment filed by MTO, after which, any unused Retainer will be returned to WeWork.

In the event that a chapter 11 bankruptcy case is commenced for WeWork, our ongoing employment shall be subject to the approval of the bankruptcy court with jurisdiction over the case. We will modify the terms and conditions of our employment described herein as may be required to comply with the applicable requirements of the bankruptcy process, including any orders of the bankruptcy court.

In connection with any application to be retained in any bankruptcy case, we will prepare a schedule describing MTO's relationships with interested parties, including creditors and equity holders of WeWork. MTO does not expect that these relationships would constitute legal conflicts of interest, but we will advise you of any and all relationships to be described and disclosed in the application to the bankruptcy court to retain MTO as counsel. If actual conflicts arise in our representation of you following the commencement of a bankruptcy case, absent the informed written consent of you and any other relevant parties, you will be required to use separate conflicts counsel in those matters, and MTO will not participate therein.

* * *

The attorney-client relationship is one of mutual trust and confidence. We therefore encourage our clients to feel free at all times to raise questions about any aspect of our representation, including billing matters.

Further terms applicable to this engagement are specified in Exhibit A to this letter. Please contact me as soon as possible if this letter (including its Exhibit A) does not accurately reflect your understanding of our agreement. Any corrections or changes must be in writing and signed on your behalf and on our behalf. Otherwise, please sign and return the enclosed acknowledgment copy of this letter at your earliest convenience.

Very truly yours,

Thomas B. Walper

EXHIBIT A — MTO ADDITIONAL TERMS OF RETENTION

The following terms apply to your retention of Munger, Tolles & Olson LLP in this matter, and are an integral part of our agreement with you.

Cooperation. To enable us to represent you effectively, you agree to cooperate fully with us in all aspects of your matter, and fully and accurately to disclose to us all facts and documents that may be relevant to the matter or that we may otherwise request. We may rely on your disclosures without independent verification. You also will make yourself reasonably available to attend meetings, discovery proceedings and conferences, hearings, and other proceedings, as applicable.

Nature Of Services. We provide only legal services. You are not relying on us for and we are not providing, among other things, investment, insurance, financial, accounting, or technical advice or making business decisions, nor are we investigating the character or credit of persons with whom you may be dealing. We will not express opinions or beliefs as to the financial statements or other financial information of you or anyone else. Unless otherwise expressly stated in the body of this letter, we shall have no responsibility to investigate or evaluate whether insurance is available relating to your matter or to tender the matter to any insurance carrier.

No Guarantee Of Outcome. We do not and cannot guarantee the outcome of any matter. Either at the commencement or during the course of our representation, we may express opinions or beliefs concerning the litigation or various courses of action and the results that might be anticipated. Any such statements are intended to be expressions of opinion only, based on information available to us at the time, and should not be construed as promises or guarantees.

Estimates Not Binding. As you are aware, it is not possible to quote exact amounts to be charged for projects like this one. Even carefully prepared estimates may turn out to be high or low. Our experience has been, however, that our clients consider our fees to be reasonable in light of the responsibilities assumed, the effort expended, the result achieved, and the efficiency with which the project is completed.

Billing And Payment. The following billing and payment terms shall apply except that to the extent that, in the body of this letter, it is stated that a third party has agreed to pay our fees and costs in this matter, then the references to your payment obligations in the next three paragraphs shall be interpreted to apply to payment obligations of such third party.

There are certain costs and expenses (in addition to the fees for our legal services) which you will be obligated to pay, if incurred, such as messenger charges, printing and photocopying costs, air express delivery charges, travel costs, transcript fees, parking charges, filing fees, telephone conference call charges, and other similar costs and expenses. We will bill

MUNGER, TOLLES & OLSON LLP

Page 7

you for nonworking travel time only to the extent we are unable to perform other work for you or our other clients.

Your matter may require an eDiscovery Project Manager and/or litigation support team that offers a degree of expertise greater than attorneys and other non-attorney staff can provide, while doing so at significantly lower billing rates than attorneys. The team will lead the matter's legal technology support plan, which typically involves complex workflows for data collection, data structuring, document hosting, technical processing, analysis, review, production, and presentation. The eDiscovery Project Manager also works to coordinate the ESI efforts of matter stakeholders to help the legal team comply with production and data analysis requirements. In particular matters, the eDiscovery Project Manager evaluates, recommends, and tests technologies and workflows for use in document review and analysis and oversees attorneys and professionals in its use. Furthermore, through an agreement with a vendor, we host electronic documents for mid-size litigation or other matters at a discounted rate. If your matter uses such document hosting, you will also be billed a hosting fee that will appear on your monthly invoice as a cost, unless you arrange for document hosting in your matter through a vendor of your choosing and who will invoice you directly. If you prefer to use a vendor of your choosing, please let us know.

From time to time, with your approval, MTO may engage leased workers for specific work on matters (e.g. first level review of documents, etc). These leased workers would work alongside and be supervised by our regular staff and attorneys. We will agree with you on the billing rates for such leased workers. In any event, the billing rates for such leased workers will not exceed the amount paid by MTO for the leased workers' services, plus a reasonable overhead charge. We do not bill clients for fees charged by computerized legal research services, telephone charges other than conference call charges, routine facsimile transmissions, or routine postage. We may also retain, at your expense, experts or consultants whose services we believe are reasonably necessary for effective representation in this matter. In accordance with our normal practice, we will require that significant bills from outside vendors (including, for example, copy services, experts, and consultants) be paid directly by you. You also agree to pay us promptly for our fees, costs, and expenses incurred in responding to subpoenas, testifying (and preparing testimony) by deposition or otherwise, or otherwise responding with respect to obligations, claims, or demands relating to or arising out of the matters in which we have represented or are representing you, whether or not related to our services and whether or not we are then representing you.

Any retainer or other advance payment ("advance payment") is for our (and not your) account and benefit; it is not intended as a security deposit. Unless otherwise required by law, any advance payment will not be maintained in a separate account or retained as trust funds, and it will earn no interest for your benefit. Any request for an advance payment should not be viewed as a quote or a limitation on fees. Our fees could well exceed the amount of the advance.

WeWork, Inc.

After completion of our engagement and payment of our final statement, if amounts paid (including advances) exceed the amounts charged, the difference will be repaid.

You agree that we may suspend or terminate services, and may withdraw from our representation of you, if our statements or required advance payments are not timely paid or restored as agreed, subject to any required notice or applicable judicial or professional rules.

Limitations On Scope Of Engagement. MTO's engagement is limited to the specific scope explicitly described in the body of this engagement letter. Absent explicit written agreement by us, MTO's engagements do not include, without limitation, responsibility for any of the following: review of insurance policies to determine the possibility of coverage related to claims or potential claims in a matter; notification to insurance companies about such claims or potential claims; advice about disclosure obligations under securities laws or any other applicable laws; monitoring, making calculations, and/or notifying, alerting, or otherwise communicating with you with respect to post-closing matters such as working capital adjustments, escrow releases, earn-outs, indemnification claims, covenant compliance, events of default, payment deadlines, or expiration of any other time periods or the making of any post-closing filings or reports including, but not limited to, those relating to collateral, including perfection or continuation of any security interest therein; any advice or other legal services relating to federal or state securities laws, including appearing or practicing before the U.S. Securities and Exchange Commission (SEC), or disclosure obligations under such laws (and furthermore, we understand that you will not, without our prior written consent, include documents or information we provide to you in any filings with federal or state securities regulators, including the SEC); advice regarding environmental issues regarding any real property relevant to a matter; or tax advice regarding a matter, such as evaluating the tax consequences of any settlement or other resolution of the matter.

Informed Written Consent To Certain Future Conflicts Of Interest. MTO represents many clients on a variety of legal matters. It is possible that in the future some of our present or future clients may have matters that are potentially or actually adverse to you that are not substantially related to the work we have performed for you. Similarly, there may be matters that you ask us to undertake in the future that present a potential or actual conflict with another client of the firm. Absent informed written consent, these conflicts of interest could adversely affect your ability and the ability of others to choose MTO as their counsel and preclude MTO from representing you or others in pending or future matters. Accordingly, in engaging MTO in this or any other matter, you consent to MTO's representation of others ("other MTO Client(s)") in (a) transactional matters in which you are a counterparty to, or otherwise affected by, the transaction, (b) bankruptcy matters in which you are an interested party as an equity holder, a debtor, a secured or unsecured creditor, or otherwise, (c) litigation matters in which you may or may not be a party and in which the other MTO Client is not a party but files or seeks leave to file (individually or as part of a group of other amici or through a trade association) an *amicus curiae* brief that advocates a position that may be adverse to your interests, (d) litigation matters

(including arbitration and other dispute resolution matters) in which you are not a party but the other MTO Client or another party in the matter is seeking testimony, documents, or other evidence from or involving you, and (e) litigation (including arbitration and other dispute resolution matters), transactional, counseling, or other matters in which you are not a party but you may have a business or other interest, for example, because you have a business or other relationship with a party or because a legal standard relevant to the matter may also be relevant to matters in which you are or may become involved; *provided* that such matters described in (a)–(e) are not substantially related to the work we have performed for you. Such matters are referred to as “Permitted Other Representations.” An element of your consent is your agreement that neither you nor anyone acting on your behalf will assert MTO’s representation of you as a basis for disqualifying MTO from representing another party in any Permitted Other Representation. We commit to adhere to our professional obligation not to disclose or use any of your confidential information for another party’s benefit without your consent. Any attorneys of MTO who represent the clients other than you in matters related to you will not be involved in representing you in connection with this representation, and MTO will establish an ethical screen, including, without limitation, implementing appropriate information safeguards, to ensure compliance with the foregoing in connection with this representation. MTO agrees that your prospective consent to conflicting representation contained in this paragraph shall not apply in any instance where, as a result of our representation of you, we have obtained proprietary or other confidential information of a nonpublic nature that, if known to such other client, could be used in any such other matter by such client to your material disadvantage.

In deciding whether to agree to this informed consent to future conflicts you should consider whether there is any material risk that we will be less zealous or eager on your behalf if we or others in our law firm at the same time represent other parties in Permitted Other Representations. Similarly, you should consider whether there is any material risk that your confidential information will be used adversely to you. We do not believe that there is a material risk of the first type because we understand our role as advocates in particular matters and take our obligations to our clients seriously. We do not believe that there is a material risk of the second type because we seek your consent only with respect to matters that are not substantially related to matters in which we represent you. Nevertheless, these are issues that you should consider for yourself and on which we encourage you to seek advice from independent counsel.

Electronic Communications. During our engagement, we may exchange materials with you by electronic means such as email, using commercial software. Such communications can be victimized by destructive electronic programs (so-called “viruses”) and interception. Our virus scanning software also may occasionally reject a communication sent by you, and yours may do the same to something sent by us. We believe that these sorts of occurrences are to be expected from time to time as part of the ordinary course of business and cannot guarantee against them, although they do affect the security and reliability of electronic communications. If for these or other reasons you would prefer that we not communicate by

MUNGER, TOLLES & OLSON LLP

Page 10

electronic means or follow special instructions or use encryptions, you should promptly so advise in writing to those responsible for your matter.

Consultation With Firm Counsel. We represent many clients and handle a great number of complex matters. In part because of the number of clients that we represent and the complexity of matters in which we become involved, from time to time issues arise that raise questions as to our professional duties. These might include, for example, conflict of interest issues, and could even include issues raised because of a dispute between us and a client over the handling of a matter. Under normal circumstances when such issues arise we would seek the advice of our internal general counsel who are experienced in such matters. Historically, we have considered such consultations to be attorney-client privileged conversations between firm personnel and the counsel for the firm. However, some judicial decisions have suggested that under some circumstances such conversations involve a conflict of interest between the client and the law firm and that consultation with firm counsel may not be privileged, unless the law firm either withdraws from the representation of its client or obtains the client's consent to consult with firm counsel.

We believe that it can be in our clients' and our mutual interests that, in the event legal ethics or related issues arise in conjunction with a representation, we receive expert analysis of our obligations. Accordingly, as part of our agreement concerning our representation of you, you agree that if we determine in our own discretion during the course of or following the representation that it is either necessary or appropriate to consult with our firm counsel (either MTO's in-house general counsel or, if we choose, outside counsel) we have your consent to do so in what are and will be deemed to be communications protected by MTO's attorney-client privilege, and that our representation of you shall not, thereby, waive any attorney-client privilege that MTO may otherwise have to protect the confidentiality of our communications with counsel.

Conflict Checks. To allow us to conduct a conflict check, you represent that you have identified for us all persons and entities that are or may become involved in the subject matter, including all persons and entities that in any material respect are related, affiliated, or associated with you, and other involved or potentially involved parties (such as parent corporations, subsidiaries and other affiliates, officers, directors, and principals). You agree that you will promptly notify us if you become aware of any other persons or entities that are or may become involved in the matter. You agree to cooperate fully with us and provide all necessary information known or available to you that is relevant to our conflict check.

Public Reference To Representation. For matters that are or become public, you confirm that you have no objection to our making public reference to our representation of you, consistent with our responsibilities otherwise to maintain your confidences. Such reference may include, for example, mention in our firm website, statements of an attorney's experience, and brochures or promotional material.

Termination Of Representation. You have the right to discharge us at any time. We may withdraw with your consent or for good cause, which includes client breach of this agreement or refusal to cooperate with us or follow our advice on a material matter, as well as in any other circumstance permitted by applicable rules. If you or we terminate our representation of you, you will cooperate with us to effect that termination, including executing all reasonably necessary documents (such as a Substitution of Attorney). Upon termination, you will remain obligated to pay for all services rendered and costs or expenses paid or incurred on your behalf before the termination or which are reasonably necessary thereafter.

After the conclusion of our representation, changes may occur in the applicable laws or regulations that could have an impact upon your future rights and liabilities. The firm has no continuing obligation to advise you with respect to future legal developments following conclusion of our representation.

Record Retention. At the conclusion of this matter, we will at your request provide a copy of your file to you. We may destroy our copy of that file after seven years from the conclusion of the matter. Our own files remain our property and we may destroy our own files after seven years from the conclusion of the matter as well. Our own files include, for example, firm administrative records, time and expense reports, personnel and staffing materials, and credit and accounting records, as well as internal lawyers' work product such as drafts, notes, internal memoranda, and legal and factual research, including investigative reports, prepared by or for our internal use.

Effective Date. The effective date of our agreement is the date on which our services commenced. The date printed on this letter is for convenience of reference only.

Confidentiality of Engagement Letter. Although this engagement letter may be considered confidential, you agree that we may share the terms of any conflict waivers (excluding otherwise confidential information) with our other affected client(s) and that we may disclose the fact of any conflict waiver, as well as any document memorializing it (after redactions, if appropriate) where reasonably necessary to rebut allegations of improper conflicting representations.

Dispute Resolution. In the event of a dispute in any way relating to this agreement, New York law will apply. Should any dispute arise that cannot be resolved amicably, the courts of the State of New York shall be the exclusive jurisdiction for the dispute to be litigated. We maintain errors and omissions insurance coverage applicable to the services to be rendered under this agreement.

Representation In Additional Matters. In the event that you request and we agree to representation by us in additional matters, the terms hereof shall control such additional matters except for the matter-specific details, the then-prevailing hourly rates, and the amount of a retainer, unless we enter into a new written agreement containing a full statement of the terms.

*Proposed Co-Counsel for Debtors and

**UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY**

In re:

WEWORK INC., *et al.*,

Debtors.¹

Chapter 11

Case No. 23-19865 (JKS)

(Jointly Administered)

**DECLARATION OF SETH GOLDMAN
IN SUPPORT OF THE DEBTORS' APPLICATION
FOR ENTRY OF AN ORDER AUTHORIZING THE
EMPLOYMENT AND RETENTION OF MUNGER,
TOLLES & OLSON LLP AS ATTORNEYS FOR WEWORK INC.,
AS DEBTOR AND DEBTOR IN POSSESSION, AT THE SOLE
DIRECTION OF THE SPECIAL COMMITTEE OF INDEPENDENT
DIRECTORS EFFECTIVE AS OF THE PETITION DATE**

I, Seth Goldman, being duly sworn, state the following under penalty of perjury:

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://dm.epiq11.com/WeWork>. The location of Debtor WeWork, Inc.'s principal place of business is 12 East 49th Street, 3rd Floor, New York, NY 100017, and the Debtors' service address in these chapter 11 cases is WeWork Inc. c/o Epiq Corporate Restructuring, LLC 10300 SW Allen Blvd., Beaverton, OR 97005.

1. I am a partner of the law firm of Munger, Tolles, & Olson LLP (“MTO”), located at 350 South Grand Avenue, 50th Floor, Los Angeles, California 90071, and have been duly admitted to practice law in the state of California and in the four United States District Courts in California.

2. I make this Declaration (the “Declaration”), in support of the *Debtors’ Application for Entry of an Order Authorizing the Employment and Retention of Munger, Tolles & Olson LLP as Attorneys for WeWork Inc., as Debtor and Debtor in Possession, at the Sole Direction of the Special Committee of Independent Directors Effective as of the Petition Date* (the “Application”).²

3. The facts set forth in this Declaration are personally known to me and, if called as a witness, I could and would testify thereto. To the extent any information disclosed herein requires amendment or modification, as additional information becomes available to me, I will file a supplemental declaration with the Court reflecting such amended or modified information.

MTO’s Qualifications

4. MTO is well qualified to advise WeWork in connection with the Conflicts Matters and Transaction as delegated to the Special Committee because of its experience in, among other areas, financial restructuring, litigation, corporate governance, corporate finance and transactions, and tax law. MTO lawyers have significant experience representing and advising the spectrum of constituents in chapter 11 proceedings—debtors, committees, secured and unsecured creditors, special committees, independent or disinterested directors, shareholders, and others, including providing advice with respect to fiduciary duties in connection with chapter 11 proceedings.

² Capitalized terms not otherwise defined herein have the meanings given to them in the Application.

5. Since its engagement, MTO has become familiar with WeWork and various aspects of their financial affairs and reorganization. I believe MTO is well-qualified to represent WeWork, as directed by Special Committee, in an efficient and timely manner.

Services to Be Provided

6. Prior to the Petition Date, MTO provided various legal services to WeWork, under the direction of the Special Committee, including: (a) advising the Special Committee with respect to the identification of actual or potential Conflicts Matters; (b) investigating potential claims or causes of the actions of the Debtors, if any, against any Related Parties; and (c) advising the Special Committee with respect to a potential Transaction.

7. By this Application, the Debtors request authority to engage MTO to continue advising WeWork, at the sole direction of the Special Committee, with respect to Conflict Matters and a Transaction as delegated to the Special Committee.

8. WeWork believes that the retention of independent counsel on behalf of and at the sole direction of the Special Committee, is necessary to assist WeWork to fulfill its fiduciary duties in these chapter 11 cases, particularly given the important role of the Special Committee in these chapter 11 cases, and that the employment of MTO would be in the best interest of the Debtors' estates.

Professional Compensation

9. Pursuant to the terms of the Engagement Letter, and subject to Court approval of this Application, MTO intends to apply for compensation for professional services rendered on an hourly basis and the reimbursement of reasonable expenses. The hourly rates and corresponding rate structure MTO will apply are the same as the hourly rates and corresponding rate structure that MTO uses in other restructuring matters and are comparable to the hourly rates and corresponding rate structure that MTO uses for corporate, securities, and litigation matters,

whether in court or otherwise, regardless of whether a fee application is required. The hourly rates used by MTO in representing WeWork are consistent with the rates that MTO charges other clients (including other clients in chapter 11 cases), regardless of the location of the client or the court in which the matter is pending.

10. MTO and WeWork have not agreed to any variations from, or alternatives to, MTO's standard billing arrangements. As discussed in more detail below, MTO rates are subject to periodic change in the ordinary course of business.

11. The MTO 2023 hourly rates for the engagement range as follows:

Billing Category	U.S. Range
Partners	\$1,275-\$2,245
Of Counsel	\$1,275-\$1,325
Associates	\$765-\$1,220
Paraprofessionals	\$375-\$570

12. Effective on January 1, 2024, MTO's hourly rates for the engagement will be as follows:

Billing Category	U.S. Range
Partners	\$1,410-\$2,385
Of Counsel	\$1,410-\$1,460
Associates	\$840-\$1,325
Paraprofessionals	\$465-\$605

13. The MTO hourly rates are set at a level designed to compensate MTO fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.³ MTO represented the Debtors

³ Like many other law firms, MTO typically increases the hourly billing rate of attorneys and paraprofessionals once a year, which increase includes (i) ordinary course step increases related to the advancing seniority or

with respect to Restructuring Matters as directed by the Independent Directors before the Petition Date using the hourly rates listed above.

14. MTO will maintain detailed, contemporaneous time records in six-minute intervals and apply to the Court for payment of compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and any additional procedures that may be established by the Court in these chapter 11 cases.⁴ MTO timekeepers will record time using billing categories that substantially conform to those categories set forth at section 8(b) of the U.S. Trustee Guidelines, and will record the amount of time per task within each billing category.⁵

15. Furthermore, MTO will maintain records of expenses incurred and itemize those expenses as well as summarize them by expense categories established as part of MTO's customary billing procedures. MTO does not charge clients for office supplies, standard duplication, facsimile transmissions, secretarial support, or Westlaw or Lexis computer-assisted legal research. MTO does charge its clients in all areas of practice for all other expenses incurred in connection with a representation. The expenses charged to clients include, among other things, telephone conference call and international call charges, mail, express mail, and overnight delivery service charges, special or hand delivery charges, document retrieval charges, mass mailings

promotion of an attorney or paraprofessional (a "Step Increase"), and (ii) periodic (generally yearly) rate increases with respect to each level of seniority (a "Rate Increase"). The Step Increases do not constitute "rate increases" (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). The proposed order provides that MTO will provide ten business-days' notice to the Independent Directors, the Debtors, the U.S. Trustee, and any official committee before implementing any Rate Increase, and shall file any notice with the Court.

⁴ In applying to the Court for payment of compensation and reimbursement of expenses, MTO will also comply with Local Rule 2016-1 and make reasonable efforts to comply with the U.S. Trustee Guidelines.

⁵ MTO may, in its discretion and in consultation with the Debtors, determine to create separate or additional billing categories for certain discrete projects undertaken during these chapter 11 cases.

(including envelopes and labels) performed by outside copying services, airfare, meals, lodging, transcription costs, and non-ordinary overhead expenses. MTO will charge WeWork for these expenses in compliance with all applicable rules, procedures and orders of the Court.

Compensation Received by MTO from the Debtors

16. Per the terms of the Engagement Letter, on October 30, 2023, WeWork provided MTO with an advance payment retainer of \$250,000.00. In accordance with the terms of the Engagement Letter, the MTO fees and expenses were deemed automatically deducted from the retainer as such fees and expenses were incurred. On October 31, 2023, MTO submitted an invoice to WeWork for \$33,922.50. On November 1, 2023, WeWork provided MTO with \$883,922.50 to replenish and supplement the retainer. On November 5, 2023, MTO submitted an invoice to WeWork for \$1,095,323.95, which was deducted from the retainer. Subject to Court approval, the balance of the retainer (\$4,676.05) will be held by MTO until the conclusion of its engagement and applied to any fees or expenses awarded in a final fee application, with the remaining balance, if any, to be returned to the Debtors.

17. As of the Petition Date, the Debtors did not owe MTO any amounts for legal services rendered before the Petition Date.

18. Pursuant to Bankruptcy Rule 2016(b), no agreement or understanding exists between MTO and any other person, other than as permitted by Section 504 of the Bankruptcy Code, to share compensation received for services rendered in connection with these chapter 11 cases, nor shall MTO share or agree to share compensation received for services rendered in connection with these chapter 11 cases with any other person other than as permitted by section 504 of the Bankruptcy Code.

Statement Regarding U.S. Trustee Guidelines

19. MTO intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases in compliance with applicable provisions of the Bankruptcy Code, Bankruptcy Rules, Local Rules, and any other applicable procedures and orders of the Court. MTO also intends to make a reasonable effort to comply with the United States Trustee's (the "U.S. Trustee") requests for information and additional disclosures as set forth in the U.S. Trustee Guidelines in connection with the interim and final fee applications to be filed by MTO in these chapter 11 cases.

Attorney Statement Pursuant to Revised UST Guidelines

(i) The following is provided in response to the request for additional information set forth in Paragraph D.1 of the U.S. Trustee Fee Guidelines.

Question: Did the Firm agree to any variations from, or alternatives to, the Firm's standard billing arrangements for this engagement?

Answer: No.

Question: Do any of the Firm professionals in this engagement vary their rate based on the geographical location of the Debtors' chapter 11 cases?

Answer: No.

Question: If the Firm has represented the Debtors in the twelve months prepetition, disclose the Firm's billing rates and material financial terms for the prepetition engagement, including any adjustments during the twelve months prepetition. If the Firm's billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Answer: MTO's current hourly rates for services rendered on behalf of the Debtor WeWork range as follows:

Billing Category	Range (2023)
Partners	\$1,275 to \$2,245
Of Counsel	\$1,275 to \$1,325
Associates	\$765 to \$1,220

Paraprofessionals

\$375 to \$570

The hourly rates applied by MTO with respect to the representation of the Debtor WeWork during the 12 month period before the Petition Date were the same as the hourly rates listed above.

Effective January 1, 2024, MTO's hourly rates for services rendered to the Debtor WeWork will be as follows:

Billing Category	Range (2024)
Partners	\$1,410 to \$2,385
Of Counsel	\$1,410 to \$1,460
Associates	\$840 to \$1,325
Paraprofessionals	\$465 to \$605

Question: Have the Debtors approved the Firm's budget and staffing plan, and if so, for what budget period?

Answer: Yes. For the period November 6, 2023 through December 31, 2023.

Disclosure Concerning Disinterestedness

20. In connection with the MTO proposed retention by WeWork, MTO undertook to determine whether it had any conflicts or other relationships that might cause it not to be disinterested, or to hold or represent an interest adverse to WeWork. The Debtors have provided MTO with a list of the names (collectively, the "Interested Parties") of individuals or institutions set forth on **Schedule 1** hereto.⁶

21. The status of entities listed as Interested Parties on Schedule 1 may change during the pendency of these chapter 11 cases without our knowledge. MTO will supplement this Declaration as necessary when new names of parties in interest are made available.

22. MTO and certain of its partners and associates may have in the past represented, may currently represent, and are likely in the future to represent, parties in interest in these

⁶ MTO's inclusion of parties in Schedule 1 is solely to disclose MTO's conflict search process and is not an admission that any party has a valid claim against the Debtors or that any party properly belongs in Schedule or has a claim or legal relationship to the Debtors of the nature described in Schedule 1.

chapter 11 cases in matters unrelated to these chapter 11 cases. For the purpose of preparing this Declaration, MTO searched its electronic database containing the names of current and former clients for its connections to the Interested Parties. MTO compared each of the Interested Parties to the names that MTO has compiled into a master client database from its conflicts clearance and billing records, comprised of the names of the entities for which any attorney time charges have been billed (the “Client Database”). The Client Database includes the name of each current or former client, and the names of the MTO personnel who are or were responsible for current or former matters for such client.

23. To the extent I have been able to ascertain based on the search of the Client Database and reasonable inquiry, listed on Schedule 2 to this Declaration are those Interested Parties, or affiliates thereof, that are or have been MTO clients. None of the representations listed on Schedule 2 or described herein is materially adverse to the interests of WeWork, and all prior and current MTO representations of the clients, former clients, or their affiliates and/or subsidiaries are or have been in matters unrelated to these chapter 11 cases.

24. The MTO conflict search reveals, to the best of MTO’s knowledge, that those MTO attorneys and paraprofessionals, if any, who have previously represented Interested Parties with respect to the Debtors’ restructuring efforts while working at other law firms, have not worked on matters relating to the Debtors’ restructuring efforts at MTO.

25. Based on the conflicts search conducted to date, to the best of my knowledge, neither I, MTO, nor any partner or associate thereof, have any connection with the Debtors, their creditors, or any other parties in interest, their respective attorneys and accountants, the U.S. Trustee, any person employed in the Office of the U.S. Trustee, or any bankruptcy judge currently

serving on the United States Bankruptcy Court for the District of New Jersey, except as disclosed or otherwise described herein.

26. MTO has not, does not, and will not, represent any entity other than WeWork in these chapter 11 cases. From time to time, MTO has referred matters to other professionals to be retained in these chapter 11 cases. Likewise, certain of such professionals have referred legal work to MTO. Certain insurance companies pay the legal bills of MTO clients and some of these insurance companies may be involved in these chapter 11 cases. None of these insurance companies, however, are MTO clients simply because they pay legal fees on behalf of MTO clients.

27. Prior to the Petition Date, MTO performed certain legal services for or paid by the Debtors, as described herein and in the Application. As a result of the retainer referenced above, WeWork does not owe MTO any amount for services performed or expenses incurred prior to the Petition Date.

Specific Disclosures

28. As specifically set forth below and in the attached schedules, MTO represents certain of the creditors or other parties in interest in ongoing matters unrelated to the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the estates. Moreover, pursuant to section 327(c) of the Bankruptcy Code, MTO is not disqualified from acting as WeWork's counsel merely because it represents certain of the Debtors' creditors or other parties in interest in matters unrelated to these chapter 11 cases.

29. As disclosed on **Schedule 2**, MTO has in the past represented Holiday Retirement and has in the past, currently, and may in the future, represent Fortress Investment Group LLC ("Fortress"). At present, Fortress Investment Group LLC ("Fortress") is one of the entities in which Softbank Group Corp. has made an equity investment (owning approximately 90% of the

equity). Softbank has also made an equity investment in Holiday Retirement. None of the representations of Holiday Retirement or Fortress are materially adverse to the interests of the Debtors. All current, prior and potential future representations of Holiday Retirement and Fortress have been (or, if applicable, would be) in matters unrelated to the Debtors or these chapter 11 cases and none of the representations described herein are, or would be, materially adverse to the interests of the Debtors. Moreover, the prior, current, and future representations would not involve Softbank as a client of MTO. I do not believe that prior, current, or future representations of Holiday Retirement or Fortress by MTO create a conflict, but disclose the connections out of an abundance of caution.

30. In addition, MTO was engaged as counsel to certain of the debtors in the restructuring cases *In re Energy Future Holdings, et al.*, Case No. 14-10979. Paul Keglevic, one of the Independent Directors, was the Chief Financial Officer of certain of the debtors.

31. MTO has in the past, and may in the future, represent certain affiliates, subsidiaries, and entities associated with various professionals that the Debtors or other parties in interest have retained in connection with these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Debtors. All current, prior and potential future representations of these professionals have been (or, if applicable, would be) in matters unrelated to the Debtors or these chapter 11 cases and none of the representations described herein are, or would be, materially adverse to the interests of the Debtors. I do not believe that prior or future representations of these professionals or their affiliates by MTO create a conflict, but disclose the connections out of an abundance of caution.

32. From time to time, MTO partners, counsel, associates, and employees personally invest in mutual funds, retirement funds, private equity funds, venture capital funds, hedge funds,

and other types of investment funds, through which such individuals indirectly acquire a debt or equity security of many companies, one of which may be one of the Debtors, often without the knowledge of MTO. To the extent that MTO partners, counsel, associates, and employees personally directly acquire a debt or equity security of a company, MTO has a long-standing policy prohibiting attorneys and employees from using confidential information that may come to their attention in the course of their work. In this regard, all MTO attorneys and employees are barred from trading in securities with respect to which they possess confidential information.

33. MTO will review its Client Database periodically during the course of its engagement in these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, MTO will use reasonable efforts to identify such further developments and will file promptly a supplemental declaration, as required by Bankruptcy Rule 2014(a).

Affirmative Statement of Disinterestedness

34. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, MTO is a “disinterested person,” as defined in section 101(14) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code, in that: (a) MTO has no connection with the Debtors, their creditors, the U.S. Trustee, any person employed in the office of the U.S. Trustee, or any other party with an actual or potential interest in these chapter 11 cases or their respective attorneys or accountants, except as set forth herein; (b) MTO is not a creditor, equity security holder, or insider of the Debtors; (c) no MTO partner, associate, or other professional is, or was within two years of the Petition Date, a director, officer, or employee of the Debtors; and (d) MTO neither holds nor represents an interest materially adverse to the Debtors or their estates.

35. MTO will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, MTO will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a). Generally, it is the policy of MTO to disclose clients in the capacity that they first appear in conflicts search. For example, if a client already has been disclosed in this Declaration in one capacity (e.g., a customer), and the client appears in a subsequent conflicts search in a different capacity (e.g., a vendor), MTO does not disclose the same client again in supplemental declarations, unless the circumstances are such in the latter capacity that additional disclosure is required.

36. MTO will not commence a cause of action in these chapter 11 cases against any of the parties listed on Schedule 2 that are current clients of MTO unless MTO has an applicable written informed consent waiver on file or first receives such a waiver from that party. To the extent that a waiver does not exist or is not obtained from such client and it is necessary for the Debtors to commence an action against that client, they will be represented in such particular matter by separate counsel.

[Remainder of page intentionally left blank.]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

3. On August 8, 2023, Paul Keglevic, Elizabeth LaPuma, Henry Miller, and I were appointed to the Board as independent directors (“Independent Directors”).

4. On August 17, 2023, the Board adopted a resolution (the “Resolution”) that created a special committee comprised of the Independent Directors (the “Special Committee”) and delegated to the Special Committee all power over “Conflicts Matters.” The Resolution defines “Conflicts Matters” as any matters in which a conflict of interests exists or is reasonably likely to exist between the Company, on the one hand, and any of its current and former directors, managers, officers, investment committee members, special or other committee members, equity holders (regardless of whether such interests are held directly or indirectly), affiliated investment funds or investment vehicles, managed accounts or funds, predecessors, participants, successors, assigns, subsidiaries, affiliates, partners, limited partners, general partners, principals, members, management companies, fund advisors or managers, employees, agents, trustees, advisory board members, financial advisors, attorneys (including any other attorneys or professionals retained by any current or former director or manager in his or her capacity as director or manager of an entity), accountants, investment bankers, consultants, representatives, and other professionals and advisors

of such person or entity, and any such person's or entity's respective heirs, executors, estates, and nominees (collectively, the "Related Parties"), on the other hand, as reasonably determined by the Special Committee.

5. Under the Resolutions, the Board specifically delegated to the Special Committee the authority to: (i) investigate and determine, in the Special Committee's business judgment, whether any matter constitutes a Conflicts Matter; (ii) on behalf of the Board and as it deems appropriate or desirable in its discretion, take any and all actions with respect to the Conflicts Matters, as determined in the sole judgment of the Special Committee, including, but not limited to, approving any Conflicts Matters.

6. In addition, the Resolution delegated to the Special Committee the authority to review, discuss, consider, and negotiate the Company's entry into and consummation of a "Transaction," which is defined by the Resolution as a restructuring, reorganization, and/or other recapitalization transaction involving the Company and/or one or more of its subsidiaries and/or affiliates. Included in the delegation with respect to a Transaction is the power of the Special Committee to consider whether or not it is fair to and in the best interests of WeWork and its respective stakeholders to proceed with a Transaction and to determine that a Transaction should not proceed if not fair or in such best interests.

The Special Committee's Selection of Counsel

7. At the request of the Special Committee, pursuant to an engagement letter (the "Engagement Letter"), WeWork engaged Munger, Tolles & Olson LLP ("MTO") to serve as counsel to WeWork, under the sole direction of the Special Committee. A copy of the Engagement letter is attached hereto as Exhibit 1 to Exhibit A and incorporated herein by reference.

8. Under the Engagement Letter, MTO provides legal services at the sole direction of the Special Committee. MTO reports solely to the Special Committee, or to such persons designated by the Special Committee. In addition, the Special Committee controls any attorney-client, work product, or other privilege belonging to WeWork in connection with MTO's services.

9. The Special Committee determined that, to carry out their fiduciary duties with respect to matters delegated to the Special Committee, it was essential to have the advice of independent, experienced legal counsel. The Independent Directors are generally familiar with, and have engaged, firms who provide advice to independent or disinterested directors in financial restructuring situations. Due to the potential legal complexities involved with these cases and that may arise, we were particularly concerned with potential counsel's experience in restructuring and corporate governance. MTO's experience in restructuring cases and representing boards, special committees, or independent or disinterested directors in restructuring and conflict situations was a key consideration in our decision to retain MTO.

10. Since their engagement, MTO has provided various legal services to WeWork, under the direction of the Special Committee, including: (a) advising the Special Committee with respect to the identification of actual or potential Conflicts Matters; (b) investigating potential claims or causes of the actions of the Debtors, if any, against any Related Parties; and (c) advising the Committee with respect to a potential Transaction. Over a short period, MTO has worked extensively with the Company's management and other advisors in order to gain an understanding of the Debtors' business operations, history, capital structure, creditor constituencies, and the various legal issues arising and may arise in the context of these chapter 11 cases as related to matters under the authority of the Special Committee.

11. Given these facts, WeWork, at the direction of the Special Committee, determined that MTO is well qualified to represent WeWork in connection with these chapter 11 cases as set forth in the Application.

Rate Structure

12. MTO has informed the Special Committee that its rates for bankruptcy representations are comparable to the rates MTO charges for non-bankruptcy representations. I can also confirm that the rates MTO charged in the prepetition period are the same as the rates MTO will charge in the postpetition period.

13. MTO has presented a budget and staffing plan for the period from the Petition Date through December 31, 2023 (the “Budget and Staffing Plan”). Following review and discussion with MTO, I (as well as the other members of the Special Committee) have approved the Budget and Staffing Plan.

Cost Supervision

14. As they did prepetition, WeWork and the Special Committee will continue to closely supervise the fee and expense reimbursement process. MTO’s fees and expenses will be subject to review, comment and objection (if warranted), and court approval pursuant to interim compensation procedures that provide for the interim allowance and payment of fees and expenses during the course of these chapter 11 cases. It is my understanding that MTO’s fees and expenses will be subject to review on a monthly, interim, and final basis during the course of these chapter

11 cases by the U.S. Trustee, any official committee, and the Court, as well as by WeWork and the Special Committee.

15. Based on the foregoing, I, on behalf of the Special Committee of the Board, am of the opinion that it is necessary to employ MTO as counsel, and that such employment is in the best interest of WeWork's estate.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
